Careers Guidance Provider Access Policy Statement

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in years 7-11 are provided with the opportunity to

- find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships through options and careers events, assemblies, group discussions and taster events;
- understand how to make applications for the full range of academic and technical courses, employment with training and apprenticeships.

For students of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for students during the 'first key phase' (year 8 to 9) and two encounters for students during the 'second key phase' (year 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and students from the provider)
- answer questions from students.

Meaningful provider encounters

One encounter is defined as one meeting/session between students and one provider. We are committed to providing meaningful encounters to all students using the Making it meaningful checklist.

Management of provider access requests

Procedure

A provider wishing to request access should contact our Careers Leader:

Mr Andrew Paterson, Faculty Leader for IAG and Careers

Telephone: 02380323111

Email: andrew.paterson@cantell.co.uk

Opportunities for access

The school offers the four provider encounters required by law (marked in italics and underlined) and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to students and/or their parents or carers.

Please speak to our Careers Leader to identify the most suitable opportunity for you.

- Careers advice for parents and students at Parent Evenings.
- Careers and education advice meetings for students throughout the academic year.
- Lesson A sessions and assemblies.
- Careers talks delivered by employers during options lessons.
- STEM trips and competitions.

- Visits to the workplace, colleges and universities including Oxbridge.

For more detailed information on the events listed in our Careers Programme, please refer to the Careers section of the Cantell School website.

Careers Education, Information, Advice and Guidance (CEIAG) is supported by independent and impartial Careers Advisers Ms Theresa Petzold and Ms Geeta Uppal. Ms Petzold is available to meet with students in the Employability and Enterprise Hub every Wednesday and Friday and fortnightly on a Tuesday and Ms Uppal every Tuesday. Appointments are scheduled for all KS4 students and can also be booked by students in Y7-11 through their Head of Year, the Careers Leader or Careers Adviser.

We work closely with The Careers and Enterprise Company, Solent Local Enterprise Partnership, EBP South, Southern Universities Network, University of Southampton, Solent University, the University of Reading, local further education institutions and training providers and have an Enterprise Adviser to support with CEIAG provision.

If you are interested in contributing to our careers programme, please speak to our Careers Leader Mr Andrew Paterson to identify the most suitable opportunity for you.

Premises and facilities

The school will make the main hall, classrooms, or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will be discussed and agreed in advance of the visit with the Faculty Leader for IAG and Careers, a member of the CEIAG team, or member of staff organising the activity.

Meaningful online engagement is also an option and we are open to providers that are able to provide live online engagement with our pupils.

CEIAG Team

Mr Stephen Godwin, Assistant Headteacher

Mr Andrew Paterson, Faculty Leader for IAG and Careers (Careers Leader)

Ms Runyararo Mudzamiri, Empower Lead (Employability Skills)

Providers are welcome to leave a copy of their prospectus or other relevant literature for the careers and post 16 education area in the Learning Resource Centre. This area is managed by the Careers Adviser. The Learning Resource Centre is available to all students at lunch and break times where they have the opportunity to access further and

higher education prospectuses and careers and apprenticeships literature. This literature is also available to students outside the Employability and Enterprise Hub.

Complaints

Any complaints with regards to provider access can be raised following the school complaints procedure or directly with The Careers & Enterprise Company via provideraccess@careersandenterprise.co.uk
