

Year	Topics
Year 7	<p>Autumn Term</p> <ol style="list-style-type: none">1. Mathematical measures2. Properties of Number3. Place value and calculations4. Perimeter, area and Volume5. Fractions, Decimals and Percentages <p>Spring Term</p> <ol style="list-style-type: none">1. Algebra2. Averages3. Sequences4. Graphs <p>Summer Term</p> <ol style="list-style-type: none">1. Ratio2. Proportion3. Transformations
Year 8	<p>Autumn Term</p> <ol style="list-style-type: none">1. Properties of Number2. Properties of Shape3. Fractions, Decimals and Percentages4. Probability <p>Spring Term</p> <ol style="list-style-type: none">1. Algebra2. Place Value and Calculations3. Graphs4. Sequences <p>Summer Term</p> <ol style="list-style-type: none">1. Ratio and Proportion2. Averages3. Collecting and Representing data
Year 9	<p>Autumn Term</p> <ol style="list-style-type: none">1. Properties of Number2. Perimeter, Area and Volume3. Fractions, Decimals and Percentages4. Properties of Shape <p>Spring Term</p> <ol style="list-style-type: none">1. Algebra2. Place Value and Calculations3. Collecting Data4. Representing Data <p>Summer Term</p> <ol style="list-style-type: none">1. Ratio and Proportion2. Probability3. Angles and Constructions4. Compound Measures
